OLIVER L. NORTH
President

NRA

Dear Wayne:

The elected non-salaried officers [NRA Bylaws, Article V, Sect. 3] have met and determined that we have fiduciary obligations that need to be urgently addressed with you and if you wish, with Mr. Brewer.

We have determined that the retainer agreement dated 7 March 2018 with Brewer Attorneys & Counselors is not properly executed and is therefore not valid.

None of the non-salaried elected officers are willing to execute an agreement with Brewer Attorneys & Counselors until we have had a thoughtful conversation with you and your compliance advisor[s].

In order to comply with our own rules and non-profit law in New York we insist that no invoices payable to Brewer Attorneys & Counselors be paid for services rendered after 28 February 2019.
