Hon. Melissa A. Crane
New York Supreme Court
71 Thomas Street, Room 303

Re: *The People of the State of New York v. Ackerman McQueen and National Rifle Association of America*, No. 451825/2019

Dear Judge Crane,

We represent Ackerman McQueen (“AMc”) in connection with the above-referenced matter. We write in response to the People of the State of New York (the “People”)’s Order to Show Cause compelling AMc to comply with an investigatory subpoena *duce tecum* issued on July 8, 2019 without first allowing the National Rifle Association of America, Inc. (“NRA”) to review the production prior to delivery to the People (“Order to Show Cause”). With respect to the Order to Show Cause, AMc will comply with any lawful order of the Court.

Sincerely,

/s/ *Todd Harrison*
