No, Sonya and I complete this budget "in a vacuum". We get no support/information from EVP Office.

Subject: 2015 - Spec Asst to the EVP Public Affairs

Rick: Had a conversation this afternoon with Linda and Woody. Wayne has asked me to hire one staffer to help in Pub Aff in the EVP's office. Attached is the job description. Salary is TBD but likely in the \$50K-\$120K range with the sincere hope that it is on the lower end. Please let me know if you have any questions.

Linda: Rewrote the job description per our conversation. Please review and edit if necessary.

Woody: Thanks for your help. Please let me know if you need anything else from my end.

Thanks.

Andrew
